**MUST BE DISTRIBUTED TO ALL OFFICIALS, FOR OTHERS AVAILABLE ON REQUEST**

### Invitation System for CSI 3\*+ 4\* events in Europe

The list of the Longines Rankings established **two** months prior to the event is to be used for the selection of athletes. **The Organising Committee must print in the schedule the number of the list which applies for the invitation of athletes, as well as the total number of athletes to be invited.**

#### Section 1 Athletes at top of the list of the Longines Rankings

The top 25 athletes (for CSI4\*) / the top 15 athletes (for CSI3\*) on the list of the Longines Rankings must be invited; substitutions for the top 25 (for CSI4\*) or top 15 (CSI3\*) athletes must be made in descending order of the Longines Rankings. The maximum number of athletes from any foreign NF in this section must be limited to five.

#### Section 2 Home Athletes

The number of home athletes who accept the invitation under **Section 1** will determine the number of remaining home athletes to be invited. The number of home athletes must neither exceed 50% nor be less than 35% of the total number of athletes invited. The NF/OC decides on the exact percentage for this section, which must be printed in the schedule. If the home nation does not fill its quota, the remaining places are filled in accordance with the conditions established for invitation of athletes in section 3.

Depending on the number of home athletes competing internationally, the number of home athletes may be increased to 60% of the total number of athletes at the event. This may only be done upon receipt of a request from the NF concerned and may or may not be granted at the discretion of the Director of the FEI Jumping Department.

#### Section 3 Foreign Athletes

3.1 The number of foreign athletes who accept the invitation under **Section 1** will determine the number of remaining foreign athletes to be invited. 50% of the remaining foreign athletes must be selected in descending order of the list of the Longines Rankings to the 300<sup>th</sup> position for CSI4\* or to the 600<sup>th</sup> position for CSI3\* and 50% may be selected from any position on the list, or may be unranked.

3.2 At least 7 foreign NFs must be represented (includes NFs represented by athletes in **Section 1**).

3.3 If a NF is invited to send athletes but decides not to participate, the Organising Committee selects another NF in accordance with the conditions established for invitation of athletes under section 3.1.

#### Section 4 OC Wildcards

The OC is free to invite 15% for CSI-4\*) or 20% for CSI-3\* of the total number of athletes as wildcards. These athletes must be selected from the top 600 on the list of the Longines Rankings. These invitations (for foreign and/or home athletes) should be under the same conditions as for other participants and must in no way be directly or indirectly connected with a financial contribution for participation at any international Jumping event. At the same time, it is also unacceptable for athletes to ask for an appearance fee.

#### Section 5 FEI Invitations for foreign athletes or home athletes domiciled outside the home country

The FEI has the right to nominate two athletes by the deadline date established for nominated entries. The maximum number of times an athlete can be nominated during the same season for this group is three. Vacant places under this section are filled in accordance with the conditions established for invitation of athletes in section 4.

OCs of CSI3\*/CSI4\* events that are part of "Tours" (multiple events held on consecutive weekends at the same venue) must respect the Invitation Rules for their category; however, if due to lack of space not all entries can be accepted, OCs may state in the Schedule that preference will be given to athletes who enter the entire Tour.

## CSI-5\* Invitation System (Worldwide)

### Section 1 Compulsory Invitations

1.1 70% of the total number of athletes invited must be from the top 150 on the FEI World Ranking list established by the FEI two months prior to the event. The following conditions must be respected. Consequently this percentage may need to be reduced.

1.1.1 Athletes are invited in descending order from the first athlete on the FEI World Ranking list.

1.1.2 At least ten foreign NFs must be invited with at least two athletes per NF.

1.1.3 If a NF has only one athlete in the above percentage, the NF in question has the right to enter a second athlete providing that he is within the top 150 on this list.

1.1.4 Organising Committees may limit the number of athletes from a single foreign NF to five. However, they are free to accept more than five athletes from the same NF providing they are within the above percentage and providing the other NFs invited have entered a second athlete.

1.1.5 If the Organising Committee cannot fill its quota from the top 150 on the FEI World Ranking list, vacant places will be filled by inviting athletes from 150<sup>th</sup> place on the FEI World Ranking list in descending order.

1.1.6 The total number of athletes to be invited to the event, as well as the date of the FEI World Ranking list which applies for invitation of athletes must be printed in the Schedule.

1.2 If an NF is invited to send participants but decides not to participate, another NF is selected by the Organising Committee in accordance with the conditions established for invitation of athletes in section 1.1.2

### Section 2 OC Invitations

Maximum 30% of the total number of athletes invited can be invited as wild cards by the Organising Committee through their NFs (these may consist of foreign and/or home athletes). These athletes can be taken from any position on the FEI World Ranking list.

These invitations (foreign and/or home athletes) should be under the same conditions as for other participants and cannot be granted in return for a financial contribution.

At the same time, it is also unacceptable for athletes to ask for an appearance fee.

### Section 3 FEI Invitations for Foreign athletes or home athletes domiciled outside the home country

The FEI has the right to nominate one athlete for CSI5\* events by the deadline date established for nominated entries. The level of the nominated athlete must be of the required standard for a CSI5\* event. The maximum number of times an athlete can be nominated during the same season for this section is three. Vacant places under this section are filled in accordance with the conditions established for invitation of athletes in section 2.

OCs of CSI5\* events that are part of "Tours" (multiple events run on consecutive weekends at the same venue) must respect the Invitation Rules for CSI5\* events; however, if due to lack of space not all entries can be accepted, OCs may state in the Schedule that preference will be given to athletes who enter the entire Tour.

**National events**

OCs that wish to organize a National event must comply with the FEI rules for National events. These include the restrictions on the number of foreign athletes and the number of NFs represented by athletes.

**Sanctions and consequences**

If prior to a CSI-5\* event it is known that the event will not follow the FEI technical conditions and the FEI Rules for invitation of athletes, the event may be removed from the FEI calendar at the discretion of the FEI.

If sufficient proof can be established after the event that the FEI technical conditions and the FEI Rules for invitation of athletes have not been respected FEI World Ranking points may be withdrawn at the discretion of the FEI and CSI status may be refused for the following season.

If the event is an FEI World Cup™ event it may lose its status for the coming season if the conditions for invitations laid down in the FEI World Cup™ Jumping Rules are not respected. For FEI World Cup™ events it is forbidden to accept invitations in return for payment of any kind.

If the event is organized outside the jurisdiction of the FEI, participating athletes will not be allowed to participate at other FEI Events.

## STABLE SECURITY/STEWARDING AT INTERNATIONAL EVENTS

### MINIMUM REQUIREMENTS TO ENSURE IMPLEMENTATION OF VRs Art. 1023

#### 1. ACCESS TO STABLE AREA

The stables must be completely enclosed within a suitably restrictive perimeter (stable area) which will act both as a deterrent to the admission of unauthorised persons and to the exit of horses. The area must be sufficiently large to allow horses to be evacuated from the stables in an emergency but still remain within the confines of the perimeter.

Access to stables must be limited to those persons indicated in VRs Art. 1023.VI. It is essential that the official issuing authorised access be a responsible person of seniority within the Organising Committee.

It is important that the NFs and OCs of international events liaise closely with the Veterinary Authorities and that the Committee and all officials, particularly the Chief Steward, are aware of the Veterinary Authorities' requirements in respect to access control and separation of horses in the stables and during training.

#### 2. CONTROL OF ACCESS

A control system must operate at all entrance gates so that there is an efficient and reliable method of identifying those who enter and leave the stable area at any time.

Extra vigilance must be used in establishing the identity of persons and reasons for entering the stables during the night by a means of a night list.

#### 3. STEWARDING OF STABLE AREA

At least one stable steward, directly responsible to the Chief Steward, must be present or readily available in the vicinity of the stable area 24 hours a day during the entire duration of the event. He may be assisted by deputies as required. The steward/deputies must regularly patrol the stable area, without establishing any predetermined pattern, to discourage any form of illegal practices or abuses to horses. Any misdemeanours must be reported immediately to the stable steward who must, in turn, report to the Chief Steward. Stewards may ask for the appropriate Veterinary Form if a horse is seen to receive treatment; this also applies to the use of nebulisers.

The duty of the stewards is therefore to safeguard the welfare of the horses and to prevent any form of illegal practices.

#### 4. GROOMS

**We urge Organising Committees to bear in mind, when establishing the competition schedule, that a groom's work day starts well before the first competition and ends long after the last competition of the day. Every effort should be made to provide equitable working conditions for the grooms throughout the event. First competition should not start before 8 am and last competition should not end after 11pm.**

The Person Responsible must ensure that his/her grooms, or any other authorised persons with access to his/her horses, are familiar with the security and stewarding procedures operating at the event attended.

#### 5. MOVEMENT THROUGHOUT EVENT GROUNDS

Movement of horses between the stables, practice, grazing and main arena must be strictly controlled. The optimum layout for the Jumping discipline is attached. It is appreciated that flexibility will be required depending on the requirements of other disciplines.

**6. STEWARDING OF PRACTICE ARENA**

The Chief Steward must ensure that all practice arenas are adequately stewarded all the time that they are officially open. He must also ensure that these arenas are subject to random control when they are officially closed.

**7. GRAZING AREA**

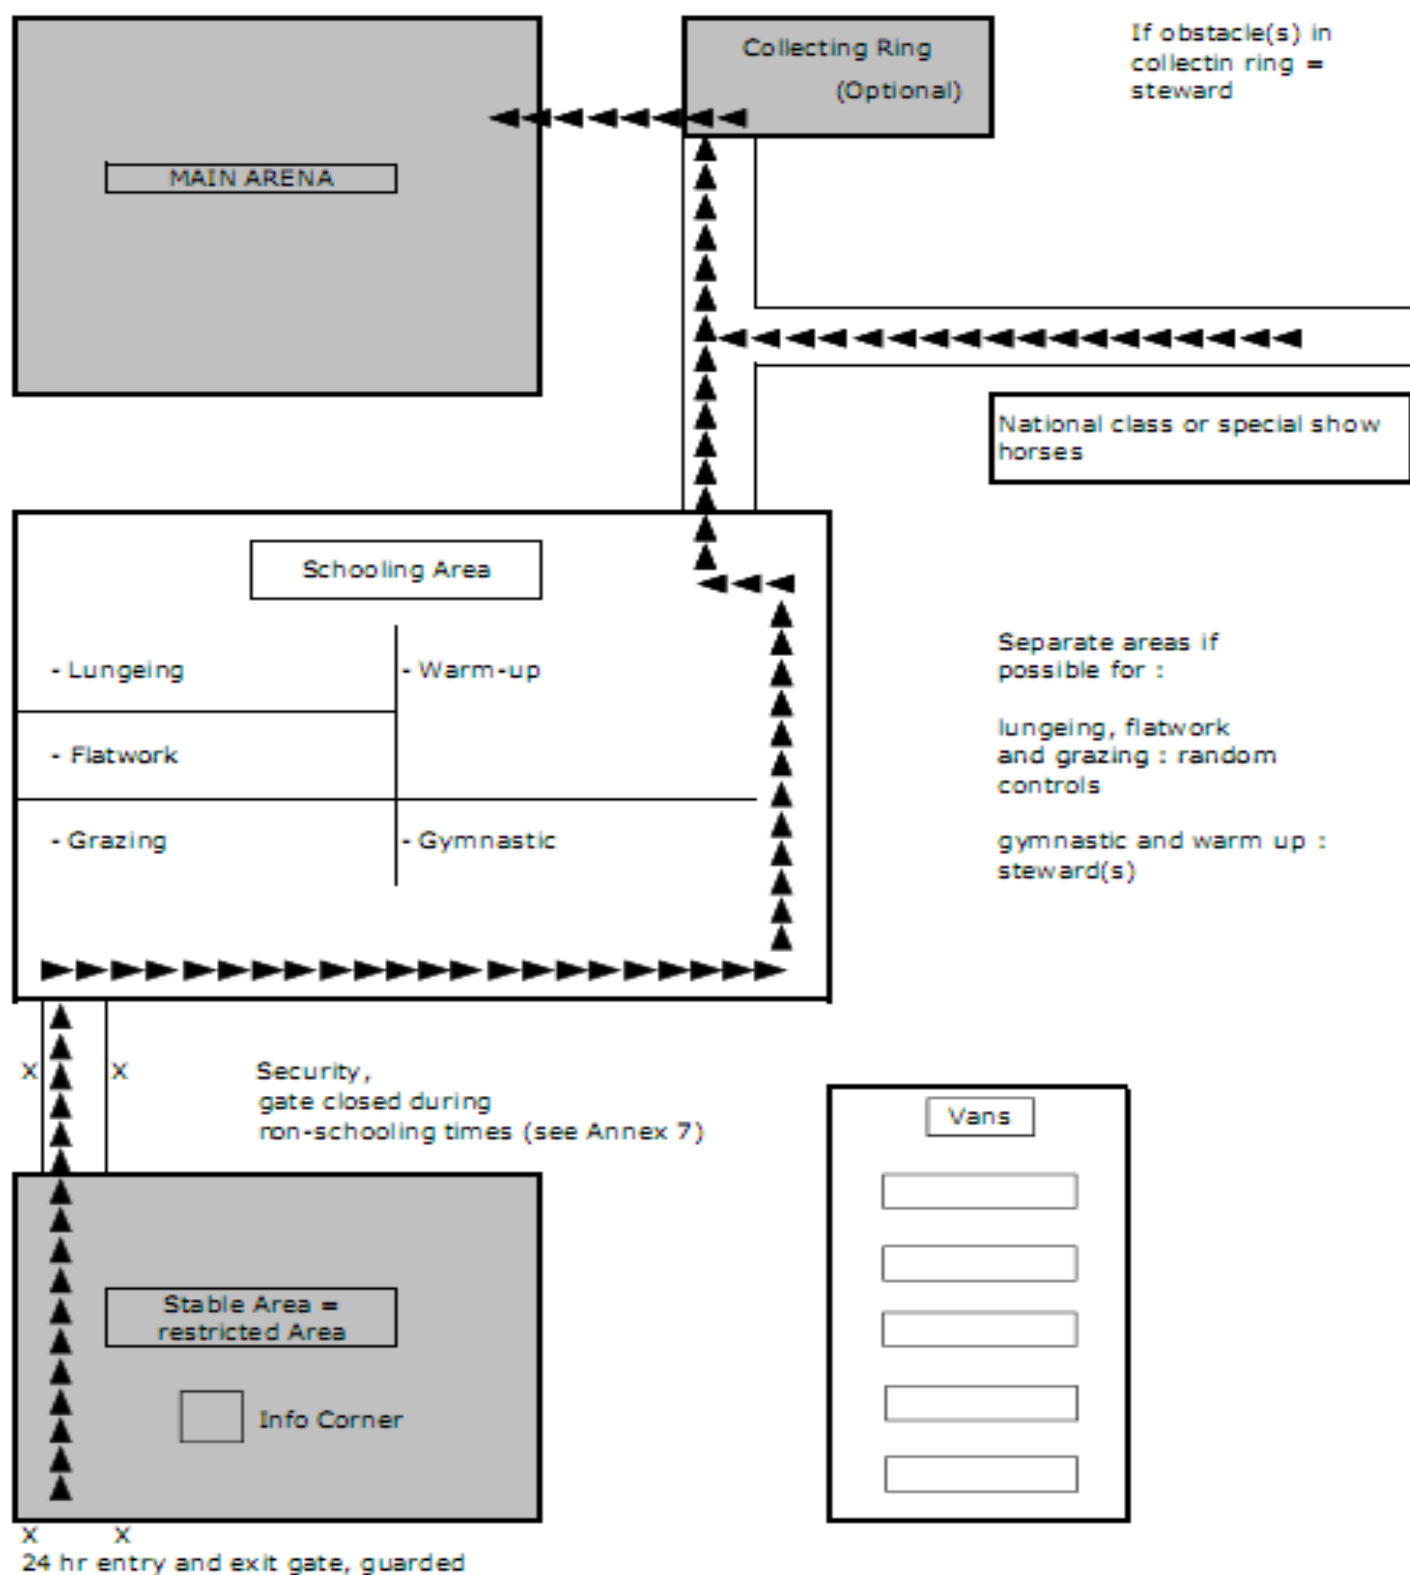

It is recommended that a grazing area be provided at all outdoor events, and that this be subject to random control. If available, horses must only be grazed or walked in hand within this area.

The Foreign Judge/TD at events will be specifically asked to check that the relevant requirements are met as reasonably as can be expected, depending on the discipline, and to indicate clearly any shortfalls, following which consideration may be given to altering the category of the event in future.
